Your online provider directory makes healthy simpler

Finding a doctor or other health care professional is an important part of staying healthy. Our online directory helps make it simpler. It offers you up-to-date information about providers — and it's available online, anytime.

Provider details

To visit our online directory, simply go to aetna.com/asa. Begin searching for a doctor using your location — ZIP, city, county or state. You can use either the general or category search to see provider details that typically include:

- Board certification
- Hospital affiliation
- Medical school/year of graduation
- Gender
- Website address (if available)
- Specialties
- Languages spoken

You can also see additional provider information that can include: participation information*, other office locations, whether they're accepting new patients, maps, driving directions and more.

Additional features

You'll be able to find specialty care, too. Like a list of transplant facilities or pediatric congenital heart surgery facilities that are part of our Institutes of Excellence™ network.

Narrowing your search

Want to refine your search even further? Multiple options are available. You can easily:

- Filter by provider characteristics — such as:
 - Specialty
 - Languages spoken
 - Gender
 - Board certification
 - Hospital affiliation
 - Accepting new patients
 - Performance — such as Aexcel** providers or Institutes of Excellence and Institutes of Quality® facilities
- Expand or reduce the geographic radius of your results
- Sort by best matched or distance
- View a map to see the locations of results and get driving directions
- Print results

If you wish to view additional information about providers, detail pages are available (on selected providers).
